

Responding to UKCA marking

By Britain exited from the EU, after 1st January 2021, UKCA (UK Conformity Assessed) marking is required for production of distribution and sales in the UK markets (England, Wales and Scotland).

The existing CE marking continues to be valid until 31st December 2021 as the shifting action.

But from 1st January 2022, the UKCA marking becomes necessary.

By the above reason, the addition of UKCA marking of the mass-produced product is under this process sequentially.
