

Change of response to UKCA marking

UK Government have announced the change of guideline for UKCA marking on August 24th, 2021.

Responding to the new announcement, response to UKCA marking of our company which has been announce on July 15th, 2021 as doc. No. GSP21709e shall be changed.

1. Contents of guideline change

(1) Postponed enforcement date of UKCA marking

Enforcement date of UKCA marking has been postponed, and new enforcement date shall be January 1st, 2023.

Trades by CE marking is still valid until December 31st, 2022.

(2) Withdrawal of transition measures

Due to postpone of enforcement date, transition measures which was permitted from January 1st, 2022 to December 31st, 2022 have been withdrawn.

2. A response to the change of guideline

We have announced regarding addition of marking according to transition measures shown in 1 (2) by document No, GSP21709e.

However, due to change of UK Government guideline, additional marking shall be placed on the product without applying transition measures.

Therefore, the contents in document No. GSP21709e shall be changed as below.

Tab. 1 Changes from Doc. No. GSP21709e

		Existing (GPS21709e)	After Change (GPS21903e)
1	Applicable model	All models that CE marking	All models that CE marking
2	Description	<p>Addition of UKCA mark on the carton box or packaging label.</p> <p>UK Declaration of conformity will be updated on our WEB sequentially.</p>	<p>Addition of UKCA mark on the product. (*1)</p> <p>UK Declaration of conformity will be updated on our WEB sequentially.</p>
3	Applicable date	Manufacturing from October 2021	Manufacturing from October 2022 (*2)

*1 It would be adding the mark on the product label, adding the mark directly on the product or using additional label.
 In case of limitation by product size or any technical difficulty (i.e. marking space and visibility etc.), the marking would be added on the packaging label.

*2 Applicable date might be varied.
